## project instructions

### CUPID MAGNET BOARD

STEP 1: Trim fancy edges off of the Eternal Love patterned paper (about 1" in from decorative edge)

STEP 2: Trim left over paper (the center section) to 5" x 7"

STEP 3: Adhere the fancy edge to the top front of the magnet board on the 7" side and trim off the excess edges.

STEP 4: Cut out the Love Potion No. 9 graphic from the postcard sheet and adhere to the bottom left corner of the magnet board.

STEP 5: Using the Accucut Cupid #1 die (small) die cut a cupid out of chipboard and then die cut a cupid shape out of the love potion patterned paper. Adhere the paper cut out on top of the chipboard die cut.

STEP 6: Punch a small hole in the center of Cupids arrow tip and add the jewel ring.

STEP 7: Adhere the cupid embellishment to the front of the clothespin and adhere a round magnet to the backside of the clothespin. Set aside to dry.

STEP 8: Turn the metal sheet over and adhere the 5" x 7" sheet to the backside of the magnet board.

STEP 9: Clip your photo or love note to the board using the clothespin magnet.

STEP 10: Attach vintage hanger to the top and tie ribbon around the top of hanger.

STEP 11: Using some of the left over paper scraps hand cut a small piece of paper to slide into the hanger.
