Hole Punch

DIE CUT SHAPE
ACCUCUT DIE #A1063CJ

project instructions

MISTLETOE & CO. GIFT CARD HOLDER

STEP 1: Trim Reindeer Games patterned paper right down the center so you have a half moon shape.

STEP 2: Take the half moon trimmed paper and hold it so that the backside (the side that doesn't have a pattern) faces you and the flat edge is facing you.

STEP 3: Take a hold of the left side and the right side and bring them together so they cross over each other. Leaving around a 4" flat space in the center. Go ahead and fold the paper on each side so it forms a pocket with a scallop edge.

STEP 4: After you have created the fold lines open it back up and add adhesive to the bottom edges only (along the inside) and re-fold the flaps in place. This will keep the tag from falling out of the bottom.

STEP 5: Locate the Mistletoe & Co (to and from) tag from the Postcard patterned paper (front side) and trim around it with scissors. Punch a hole in the top left corner and set aside.

STEP 6: Using the Accucut Album-Tag & Pocket set #A1063CJ die cut a tag out of the Mistletoe & Co postcard paper (backside pattern) and punch a hole in the top center.

STEP 7: Insert the die cut tag into the pocket card and tie ribbon into a bow at top.

STEP 8: Wrap the twine around the outside of the card, tie in a knot and then slip through the to and from tag and tie in a bow.

STEP 7: Add a gift card or photo to tag and give as a gift!
