SET OF 3 BOXES by Jennifer Beason

TO CREATE THE SET OF 3 BOXES:

STEP ONE

Cover the bottom section of each box with patterned paper. Then cover the top and sides of the lids with 1" strips of the Be Free patterned paper as shown in the picture. (measurements will vary depending on box size.)

STEP TWO

Use a scalloped border punch to make a border (2 to 3, 12 inch strips for each box.) adhere the borders around the edge of each lid.

STEP THREE

Next, embellish the boxes with a Flip Note Journal Pad. For the large and small boxes, only half a page of the Flip Notes were adhered to the edge of the box. The medium box had a flip note page adhered to the center.

STEP FOUR

Layer various Punchout Tags over the Flip Notes as desired. Ink the Artisan Element sticker and add cork buttons.
