### CREATE THE INSIDE OF THE CARD

#### STEP ONE

Cut a 2" x 5" piece from the Beautiful Butterfly paper and then fold it in half lengthwise. Set aside.

#### STEP TWO

#### STEP FOUR

Layer the 5" x 6" piece over the 5" x 7" piece and tuck inside the folded 2" x 5" piece. Add tickets to both sides of the folded 2" x 5" piece and staple over the tickets to bind the pieces together. Use adhesive to secure the piece you just stapled together to the inside of the mini book. You can add other tickets to the edge of papers to make tabs if you would like.

#### STEP FIVE

Create banner pieces for front of card by hand cutting a triangle out of the 1 3/4" x 1 3/4" square pieces.

#### STEP SIX
