TO MAKE CARD:

STEP ONE

Spray Glimmer Mist on Wood Shape or Wood Alphabet and set aside.

STEP TWO

Trim the Soiree Diamond paper to 4 ½" x 11 ¾" and fold so that you create a gate fold card. Slightly overlap the left flap over the right flap.

STEP THREE

Using the Soiree Stamp Set – stamp a sentiment in the lower right hand corner.

STEP FOUR

Adhere one of the Soiree 2" x 3" mini note card inside center of card.

STEP FIVE

Now that the card is folded; add a thin strip of glue along the card (left to right) about 2" up from the bottom.

STEP SIX

Gather the printed tissue paper into pleats and place along the bead of glue – set aside and allow to dry.

TO MAKE PAPER BOW:

STEP ONE

Trim a 1" x 12" strip of paper from the Soiree Words Paper.

STEP TWO

Trim a 1" x 3" piece from the Soiree Music Paper.

STEP THREE

Measure 2 ½" from left side of strip and snip a ½" cut into the paper from the edge (do not cut all the way through.) – Repeat this on the right side of the strip also.

STEP FOUR

Slide the 2 slits together and while pinching the loop into a bow shape, wrap the 1" x 3" Music paper piece around the middle and adhere in the back.

STEP FIVE

Snip the edges of the paper bow into a V shape.

TO FINISH CARD:

STEP ONE

Cut the tissue along the opening of the card.

STEP TWO

Adhere the paper bow so that it is only glued down on the left side of the gate fold (making sure it will be centered when it is closed.)

STEP THREE

Adhere the wood shape or wood alphabet in the middle of the paper bow.

STEP FOUR

Paint Tattered Angels Chandelier Glam over the wood bow and shape.
