DAD STARLIGHT LAYOUT by vicki boutin

TO MAKE LAYOUT:

STEP ONE

Cut a 4 1/2" x 6 1/2" mat from the red star side of a piece of Shine patterned paper and attach it 1 3/4" from the top and 2 1/2" from the right side of the lined side of a sheet of Shine patterned paper.

STEP TWO

Cut a 9 3/4" piece of the navy star border Elements sticker and attach it below the red star mat along the right side of the page.

STEP THREE

Cut a 10 3/4" w piece of the yellow star border Elements sticker and attach it below the navy star border.

STEP FOUR

Mat a yellow banner sticker from the Elements stickers on the navy side of the Dazzle patterned paper and trim around it leaving a slight navy border. Repeat with two additional yellow banner stickers. Attach the three banner shapes to the page. Add title stickers using the Starlight Alphabet stickers. Add two brads and draw the black lines at either end of the banner.

STEP FIVE

Attach a yellow bracket from the Element sticker to the right side of the red star mat.

STEP SIX

Add star stickers and red pearls.

STEP SEVEN

Attach photos and add journaling strips.
